#HACK Foster Care

Over the past year...

Policy makers and attorneys, caseworkers and former foster youth, hackers and tech executives, banded together to attack the problems faced by child welfare systems across the nation. Our story map provides a brief tour of the #HACK Foster Care events.

SILICON VALLEY

LOS ANGELES

NEW YORK CITY

WASHINGTON DC

#HACK Locations

In the fashion of many a tech startup code sprints, we owe many thanks to the dedicated volunteers who worked all night at these events.
